Subject: BDCP briefing paper for Ken Kopocis

Attached is a proposed briefing paper for Ken Kopocis, in preparation for his participation in a Bay/Delta meeting at CEQ this Wednesday. You may recall that Ken requested this paper during Jared's call with him and Cynthia Giles last Friday. The paper summarizes the main issues and recommendations that we made to Ken and Cynthia during that call. The paper has been reviewed by Tim Vendlinski and Tom Hagler, and reflects their feedback. If this meets with your approval, it is ready for Jared's review and transmission to Ken and Cynthia. Please let Stephanie Skophammer and Connell Dunning know if you would like us to make any edits (I will be out of the office tomorrow). The paper should be sent to Ken as early as possible tomorrow (I recommend by noon at the latest so that he has time to digest it before the CEQ meeting on Wednesday).

Thank you –

-Kathy
